Quarterly company HSA contributions are based on the month benefits coverage begins. If you are a current employee and are selecting benefits during Open Enrollment, your HSA quarterly deposits begin in January.

If you are newly hired, your benefits begin the 1st of the month after you are hired. If you were hired on the 1st, your benefits begin the 1st of the following month.

If your coverage starts:

- January–March: you’ll receive four quarterly deposits
- April–June: you’ll receive three quarterly deposits
- July–September: you’ll receive two quarterly deposits
- October–December: you’ll receive one quarterly deposit
