How Do I Apply for Benefits?

You can apply for Paid Family Leave benefits using [SDI Online](http://edd.ca.gov/SDI_Online) (edd.ca.gov/SDI_Online).

To file by mail, you must complete and submit a *Claim for Paid Family Leave (PFL) Benefits* (DE 2501F) form. Learn more at [File a Paid Family Leave Claim by Mail](http://edd.ca.gov/disability/How_to_File_a_PFL_Claim_by_Mail.htm) (edd.ca.gov/disability/How_to_File_a_PFL_Claim_by_Mail.htm).

Caregiving Claims

Provide medical certification for your seriously ill family member who requires your care. This certification needs to be from their licensed health professional. You must also provide information about the family member you are caring for and their signature.

Bonding Claims

Provide documents that show your relationship to your child. This can be a copy of your child's birth certificate, adoptive placement agreement, or foster care placement record.

If you are currently receiving pregnancy-related Disability Insurance benefits, it is not necessary to request a Paid Family Leave claim form. The form to file for bonding will be sent through your SDI Online account or by mail when your pregnancy-related disability claim ends.

Military Assist Claims

Military assist claims require two types of supporting documents. This can be proof of covered active duty or call to covered active duty and documentation of the qualifying event.

Voluntary Plans

If you are covered by a voluntary plan, contact your employer for information about your coverage and instructions on how to apply for benefits.
